“We have used Lime Black
to create standout kitchens
and interiors in all of our
London-based developments.
Daniel, Conor and the team
have an exceptional knack of
understanding our vision and
quickly making it a reality.”

DANIEL BROCH, BLISS SPACE

For a truly unique design, Lime Black’s
team of expert British craftsmen can
create bespoke handmade kitchens
and interiors.

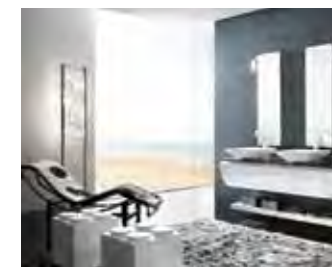

Lime Black is a family-run business, committed to providing a professional, personal and flexible service to all our clients. Our design team is led by Gerd Krumme, who has worked in the German kitchen industry for over 40 years and has a vast knowledge of the sector, as well unrivalled experience in the design and installation of German-manufactured kitchens and furniture.
